The Northwest's best whale watching
and wildlife viewing

RESPECTFUL INTERACTION WITH WILDLIFE

See Orca Whales, Bald Eagles, Seals, Porpoise, Otter, Great Blue Heron, Seabirds, Sea Stars, Kelp Forests, Wild Mink and more. We see Orcas on over 90% of our tours during peak season June-September. We are members of the PWWA Whale Sighting Network, the Whale Museum, and 1% for the Planet. Our philosophy is to observe, but not to interfere, with all wildlife.
